

Muhammad Asad Raza

Software Quality Assurance Engineer | Automation & Manual Testing | Playwright | Cypress
+923089304299 | asad.1601029@gmail.com | [LinkedIn](#) | Karachi, Pakistan

PROFESSIONAL SUMMARY

A highly motivated and detail-oriented Software Quality Assurance Engineer with 3.5+ years of experience in software testing, specializing in delivering high-quality software solutions. Proficient in creating and executing comprehensive test plans, test cases, and test scripts to ensure functionality, performance, and usability align with business requirements. Skilled in functional, regression, smoke, and integration testing, with hands-on expertise in defect management using tools like JIRA within the SDLC, STLC, and Agile methodologies. Experienced in writing and maintaining end-to-end automated tests using Cypress & Playwright for modern web applications. Adept at collaborating with cross-functional teams to meet project deadlines without compromising quality. A strong communicator with excellent analytical and problem-solving skills, committed to continuous improvement and user satisfaction. Eager to leverage expertise in software testing to contribute to the success of a dynamic organization and support the delivery of reliable, efficient, and user-centric applications.

WORK EXPERIENCE

Software Quality Assurance Engineer

October 2023 – Present

Tkxel

- Led the creation and execution of comprehensive test plans and test cases to validate system functionality and user requirements, ensuring thorough coverage across web and mobile platforms.
- Conducted regression, smoke, and integration testing, and automated some key web pages using Cypress to streamline testing efforts.
- Collaborated closely with developers to perform root cause analysis on critical defects, actively contributing to prevention strategies and continuous quality improvement.
- Delivered detailed test reports to stakeholders, highlighting key findings, defect trends, and actionable recommendations, while continuously identifying areas to improve QA processes.

Associate Software Quality Assurance Engineer

August 2022 – September 2023

Tkxel

- Executed manual testing for web and mobile applications, ensuring end-to-end coverage of all test scenarios.
- Collaborated with developers and project managers to clarify requirements and ensure complete understanding of user stories.
- Logged and tracked defects in JIRA, verifying fixes and retesting as part of defect lifecycle management.
- Prepared and maintained test reports, providing stakeholders with regular updates on testing progress and defect status.
- Participated in sprint planning and retrospectives, contributing to continuous improvement of QA processes.

EDUCATION

Bachelors of Science in Electrical Engineering

July 2018 – July 2022

Ghulam Ishaq Khan Institute of Engineering Sciences and Technology (GIKI)

CGPA: 3.46

Intermediate - Pre-Engineering

July 2016 – July 2018

The Citizens Foundation College

Grade: A-one

SKILLS

- | | | |
|----------------------|----------------------|---------------------|
| • Manual Testing | • QMetry | • Agile Methodology |
| • Software Testing | • Postman | • Smoke Testing |
| • Automation Testing | • Regression Testing | • Problem Solving |
| • Playwright | • JMeter | • Team Work |
| • Cypress | • Bug Tracking | • Leadership |
| • Test Planning | • Reporting | |
| • Test Case Writing | • Jira | |

CERTIFICATES

QA Fundamentals <i>10Pearls University</i>	August 2024
Test Automation with Cypress – Part I <i>10Pearls University</i>	May 2024
Postman API Fundamentals Student Expert <i>Postman</i>	October 2023
ChatGPT Prompt Engineering for Developers <i>DeepLearning.AI</i>	August 2023
Aspire Leaders Program <i>Aspire Institute</i>	November 2024

HONOR AWARDS

Core Values, A.L.I.P.H Award - (Ardour, Leadership, Integrity, Perseverance, Humility) <i>The Citizens Foundation College</i>	January 2019
Dean's Honor Roll - 4 Semesters <i>Associated with GIKI, received a Dean's Honor Roll award for 4 semesters</i>
